BWG SECTOR
PROFILES 2022

TRANSPORTATION, LOGISTICS AND WAREHOUSING

BWG is an outstanding transportation hub with proximity to road, rail, air and shipping solutions.

BWG's location north of the GTA on Highway 400 makes it an ideal location for transportation, logistics and warehousing operations that rely on fast and reliable shipping of goods.

Build, work, and grow in a location built on opportunity. BWG offers easy access to Highway 400 and Ontario's transportation network. Lots of varying sizes, many with highway frontage

are available now. BWG's economic development team is ready to help, facilitating development approvals, making key connections and advising on investment incentives.

Shipping is simplified with airfreight options at Toronto's Pearson International Airport and Lake Simcoe Regional Airport (a commercial point of entry with full customs and immigration support). Rail freight is also easily accessible through the Vaughan Intermodal rail truck terminal.

BWG BUSINESS SPOTLIGHT: ALL POINTS FREIGHT

Starting as a freight broker in 1985, BWG-based All Points Freight has evolved to become the 'go to' trucking company for GTA firms seeking flat-bed solutions to ship products to important markets in western and southern U.S.

With a fleet of 16 vehicles, and access to more through their brokerage, All Points Freight has streamlined its business model to focus on timely, reliable and efficient service for both ends of the delivery process.

With easy access to the GTA and border crossings, owner and Bradford native Peter Beintema believes BWG is the perfect location for his operation.

Utilizing the experience and salesmanship of his previous vocation as a successful realtor, Beintema continues to build his diverse customer base, while maintaining solid relationships with long-standing clients, some for more than a quarter century.

**“I JUST LOVE THE WHOLE AREA
... AND LIKE REAL ESTATE, FOR
US IT’S ALL ABOUT ‘LOCATION,
LOCATION, LOCATION.’
– PETER BEINTEMA, OWNER,
ALL POINTS FREIGHT**

A LOCATION BUILT ON OPPORTUNITY.

Build, work and grow in a location built on opportunity. BWG offers transportation and logistics firms easy access to Highway 400 and Ontario's transportation network. Lots of varying sizes, many with highway frontage are available now.

LOCATION	DISTANCE (KM/MILES)
