MAYOR'S ANNUAL BUSINESS BREAKFAST

Land acknowledgement statement

As visitors on this land, the Town of Bradford West Gwillimbury acknowledges that the land on which we gather today is the traditional territory of the Anishinaabek Nation, which includes Ojibwe, Odawa and Potawatomi Nation, collectively known as the Three Fires Confederacy. We recognize that the Huron-Wendat, Chippewa and Haudenosaunee Nations have walked on this territory over time.

In times of great change, we recognize more than ever the importance of honouring Indigenous history and culture and are committed to moving forward in the spirit of reconciliation, respect and good health with all First Nation, Métis and Inuit people.
